### 2007 CABERNET SAUVIGNON

#### WINEMAKER COMMENTS

*Cabernet Sauvignon is the star performer of all great Bordeaux blends and, as a single varietal, is a real force on its own. The variety thrives on the Central Coast of California and displays its own unique flavor profile. Look for the very subtle 'green bean' character, considered the backbone of the classic examples, which is surrounded by ripe cassis, blackberry and liquorice. Subtle oak support rounds out the bouquet and introduces a flavor-packed palate with abundant fruit, balancing acidity and very fine ripe tannins. It is an ideal food wine with full flavored dishes or can be enjoyed with cheese. Careful cellaring will be rewarded.*
