TRIBUTE SERIES 2007 CARNOUSTIE

WINEMAKER COMMENTS

Our winemaker's Australian heritage is clearly evident in this wine. While Carnoustie is a famous golf course in Scotland the wine blend is uniquely Australian and requires very careful fruit selection and blending. The wine combines the strength and intensity of Cabernet Sauvignon with the elegance and structure of Merlot with the abundant fruit and mouth-feel of Syrah. It is a complex mixture of each varieties true characters harmoniously combined to create a masterpiece. Great with food, this wine also has the "fruit forward" nature of a typical "down under" style.
